Milestones and Learning Outcomes

Year 13

- Be able to draw conclusions from researching and evaluating relevant labour market information (LMI) to support your future plans
- Be able to research and evaluate progression pathways and return on investment for higher and further education, training, apprenticeship, employment and volunteering options open to you.
- Know how to prepare you, perform well and learn from participating in selection processes.

Year 12

- Assess how you are changing and be able to match your skills, interests and values to requirements and opportunities in learning and work.
- Develop and make the most of your personal networks of support and show that you are a proactive and discerning user of impartial face-to-face and digital careers information, advice and guidance services,

Year 11

- Be able to find relevant labour market information (LMI) and know how to use it in your career planning.
- Be able to research your education, training, apprenticeship, employment and volunteering, options including information about the best progression pathways through to specific goals

Year 10

- Discuss the skills involved in managing your own career
- Be aware of your responsibilities and rights as a student, trainee or employee for staying healthy and following safe working practices.
- Show how you are developing the qualities and skills which will help you to improve your employability.

Year 9

- Identify how to stand up to stereotyping and discrimination that is damaging to you and those around you.
- Know how to identify and systematically explore the options open to you at a decision point.
- Show that you can be positive, flexible and well-prepared at transition points in your life.
- Be aware of what labour market information (LMI) is and how it can be useful to you.

Year 8

- Show that you can manage your own budget and contribute to household and school budgets.
- Be aware of the laws and bye-laws relating to your people's permitted hours and types of employment; and know how to minimise health and safety risks to you and those around you.
- Describe different explanations of what careers are and how they can be developed.

Year 7

- Describe yourself, your strengths and preferences. Recognise the qualities and skills you have demonstrated both in and out of school that will help you make you employable.
- Give examples of what means to have a career.
